

School Bus Routes and Timetable

The timetable is reviewed at the end of every academic year and any changes will be published at the end of term 3.

Please note that these are our target times and we will do our best to stick to them as closely as possible, depending on traffic. We urge you to do the same and adhere to the timings provided.

The routes have been classified as follows:

Zone A – Marurui / Thome / Garden Estate

Zone B – Kasarani

Zone C – Zimmerman / Kahawa West

Zone D – Ngumba

Zone E – Kiambu

Zone F – Membly

Please ensure that during admission, you visit the office to establish the nearest pick up or drop off point along your route.

It is very important to let the bus assistants know if your child should expect someone to pick them from the drop off point so that in case there is no one to do that, for safety reasons, the child will be taken back to school and you are contacted. Ensure that the school has your up to date contacts at all times.

Below are the charges.

Routes	Amount per term	
	One way	Two way
